

2020 Nominating Committee Report

Darin Lackey

Daniel Devers was elected to President-Elect of the BMITE Division.

This will create a vacancy for Reporter for the remainder of the term that is left.

We also need to fill a vacancy in the Region IV High School VP.

We will be opening up the process for nominations for Reporter and Region IV High School VP following Summit.

We also have a vacancy for the OkACTE Representative from the BMITE Division on the Mutual Benevolence plan and that position will be appointed. If there is an interests form any member, please let Darin Lackey know.
